

## CHAPTER NEWS & EVENTS

### UPCOMING CHAPTER MEETING

#### PLANT TOUR: Cascades Tissue Waterford & Mechanicville NY

Date: **May 14th 2018 @ 3:00 pm** beginning at **148 Hudson River Rd Waterford, NY.**

Cascades produces, converts and markets packaging and tissue products that are composed mainly of recycled fibres. We will be visiting 2 facilities (a paper mill and a converting plant) in their tissue division.

The visit will start at the Waterford facility (3:15 – 3:30pm) with a brief presentation and overview of Cascades. We shall carpool to Mechanicville for a 4pm to 5pm tour and carpool back to Waterford for a 5:30 – 6:30 pm tour and wrap up.

Focus will be on safety in manufacturing process and highlighting some major risks control methods.

#### [REGISTER NOW](#)

Attendees must wear safety shoes. Safety glasses, hearing protection and high viz vests will be provided. To attend, names and email addresses have to be submitted to the Cascades team in advance Please RSVP by **Wednesday May 9th 2018.**

#### [ISO 45001-2018 Adopted as an ANSI/ASSE National Standard](#)

Adoption of ISO 45001 as an American National Standard is a watershed moment for occupational health and safety management systems. "This is an important and vital development in advancing occupational safety and health prevention efforts," says 2017-18 ASSE President Jim Smith, M.S., CSP.
